

Special Instruction

Customers may please note that it is mandatory to have BSL SAP Customer Code for participating in the Forward Auctions of SAIL Bokaro Steel Plant. Any customer who does not have a BSL SAP code prior to the auction will not be allowed to participate in the auction. The onus for creation of the SAP code lies with the customer.

To create BSL SAP party Code, the customer shall furnish the following requisite information along with the necessary supporting documents at least 03 (three) working days prior to the date of auction.
